# FIVE MUSEUMS FOR THE GAMES A PUZZLE ADVENTURE

## AT THE MUSÉE D'ORSAY

# YOUR MISSION

Five museums need you for a special mission!

In preparation for the Paris 2024 Olympic Games, the Centre Pompidou, the Louvre, the Musée d'Orsay, the Musée de l'Orangerie and the Musée du Quai Branly – Jacques Chirac have been studying a manuscript written by the founder of the modern Games, Pierre de Coubertin. The document contains five secret sentences. One thing is certain: each sentence is connected to a museum and derives its meaning from a strong tie between sport and culture.

Your mission, should you choose to accept it, is to help each museum find the meaning of its secret sentence with the help of this sleuthing team:

ADAM

LÉONARD

WILLIAM

CÉLESTE

MARTINE

MÉLODIE

OMER &  
MEG

Each of them thinks they have deciphered the manuscript. But who has the correct answer?

Find out by completing seven challenges based on artworks at each museum. Solve each puzzle to disqualify a team member and discover who has the correct answer.

The most determined players could be rewarded in a prize draw.

## Keep up the pace

The fun isn't over! Complete the puzzle adventures at the four other museums to increase your chance of winning in the draw! Use the five secret sentences to write a final message on the puzzle passport.

### Fun fact

The three Olympic values are friendship, respect and excellence. The four values added by the Paralympic movement are courage, determination, inspiration and equality. These values will help you in your mission!

## GAME RULES

### Welcome to the musée d'Orsay!

This former train station is now home to works created between 1848 and 1914.

- Don't touch the artwork

Set off to find them in whatever order you like! Use each correct answer to eliminate the secret sentence of a sleuth at the end of the booklet. Watch out! One of the sleuths will be disqualified twice.

As determined as Heracles, William shot arrows at the birds on the lake, but his poor aim made them flee.

Turn the pages of the booklet to follow the green and purple paths: one leads to a sleuth to disqualify from the competition.

Who is it? Have a look at the symbols engraved on the sculpture: some of them appear on the correct path.

Items have been placed on the wrong path to mislead you.

**Study the sculpture carefully to avoid mistakes.**

What do you see in the distance at 11 o'clock?

A lion roaring at Victory!
